DEMOLITION IS HAPPENING WHAT YOU SHOULD KNOW

Photo Credit: Associated Press

Demolition sites are dangerous

- Do not stand nearby and watch
- Keep windows and doors closed during demolition and debris removal
- Keep children away from the demolition site and debris pile
- Plan to be away from your home during the demolition work, if possible

Demolition creates dust

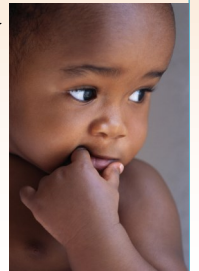

DURING DEMOLITION AND DEBRIS REMOVAL:

- Wet mop floors, window wells and window sills everyday
- Wash stoops and outside furniture everyday
- Place floor mats at front and back doors
- Do not hang laundry outside
- Cover all gardens and soil beds with plastic tarp

Demolition dust may contain lead

- Small children are at greatest risk for lead poisoning
- Children can swallow dust when they put dust exposed toys and fingers in their mouths

Lead Poisoning Prevention, call:

- Healthy Homes and Lead Poisoning Prevention Program at (517) 335-8885
- Lead hotline at 1-866-691-5323
